THE MAURITIUS COMMERCIAL BANK LIMITED

Unaudited Interim Financial Statements - 30th September 2011

COMMENTS ON RESULTS TO 30TH SEPTEMBER 2011

RESULTS

Group results for the quarter to 30th September 2011 reached Rs 1063 million, up 12.4% on the corresponding period in FY 2010/11. This was an excellent performance, in view of the uncertain international economic environment.

Net interest income was up by 12.4%, achieved on the back of a better than expected growth in loan portfolio, boosted by international trade finance activity. The latter was also largely responsible for the increase in fee and commission income, which totalled Rs 550 million, up 13.5% for the Group, with trade finance revenue at bank level up 69% from the previous year.

Operating expenses were 15% up on last year, in line with expectations, and fuelled by increased costs linked to the large capital expenditure programme of the last 2 years.

Non-performing loans have stabilised at around 3.4% of the loan book and impairment costs, although up on last year, include a charge of Rs 30 million for portfolio provision, more than double that incurred for the quarter to 30th September 2010.

Contribution from our foreign banking subsidiaries and associate rose by 52% to Rs 116 million and that of non-banking operations nearly doubled to reach Rs 56 million.

OUTLOOK

Notwithstanding interesting opportunities prevailing, particularly in the region, the current uncertainties are likely to impact operations of the MCB Group, as a result of strains on the real economy and on financial markets.

Against this background, the MCB will remain vigilant but remains intent on pursuing its strategy of market and product diversification, notably on the African and Indian Ocean scenes, backed by its sound fundamentals and strategic positioning.

Six months results to 31st December 2011 are expected to be slightly up on those of the corresponding period in 2010.

DIVIDEND DECLARATION

The Board of Directors has declared an interim dividend of Rs 2.60 per share for FY 2011/12, an increase of 10 cents on that declared in December 2010.
