JOSEPH JOSEPH Expandable Dish Drainer

This dish rack can be extended to almost twice its size to accommodate more dishes. The integrated spout drains away any excess water and can be closed to trap water inside for draining later. The plated steel prongs and non-scratch tips make it suitable for all types of glassware and crockery. The steel rack is removable. It also includes a moveable cutlery holder. Wash and dry by hand.

- Dimensions - closed: 12.5" x 14.25" x 6.25"
- Dimensions - extended: 20.75" x 14.25" x 6.25"

JOSEPH JOSEPH Elevate Knives Set

This set contains 5 essential kitchen knives with a slimline bamboo block to store them in that takes up less room on your worktop than conventional knife blocks. Elevate knives feature weighted handles and integrated tool rests to prevent blades from touching the work surface when placed down. The blades are made from Japanese stainless-steel. The slimline block saves space on your worktop. The magnetic knife slots holds knives securely in place.

The set includes:

- A 3½" paring knife
- A 5" Santoku knife
- A 6" chef's knife
- An 8" carving knife
- An 8" bread knife
