BABOLAT Backpack Pure Drive

The backpack Pure Drive lets you pack your tennis essentials in style, without compromising function. The isothermal insulated compartment can fit 3 racquets. And it's got reflective logos so you're more visible as you commute to the courts.

Not carrying a racquet? The racquet compartment folds down as you store your gear in the dedicated apparel, laptop, or accessory compartments. This bag also features the new "colour-free" lining, which is made of 100% recycled PET and is dye-free, so it's better for the planet.

Characteristics:

- Maximum protection: insulated compartment and waterproof outer coating to keep your things dry
- Clear view, seamless, waterproof and vented shoes compartment
- Removable shoulder straps
- Lock zip puller to keep the pull tab in position
- Colour: blue

BABOLAT Racquet Nadal Junior 25

Do you want to be like Rafa? Babolat have designed the Nadal Junior range for young players who dream of treading in Rafa's footsteps.

Inspired by their idol's emblematic racquet, the Nadal Junior 25 racquet is suitable for young players between 130 and 140 cm tall.

Characteristics:

- Head size: 698 cm²
- Length: 635 mm
- Weight (unstrung): 240 g
- Balance (unstrung): 295 mm
- Composition: aluminium
- Strung/Unstrung: strung

 **1,180,000 points**

Gift code: EMC08

BABOLAT Racquet Padel Technical Vertuo

The Technical Vertuo that gives both easy power and preciseness in attacking shots is perfect for the technical strikers who want to drive the game and use both skills and strength to make the difference.

The power of a racquet depends on the player using it. This is a reality and that's why Babolat has used soft materials on this racquet so you can benefit the elasticity of the racquet's surface. You will have an effortless power that will help you to express the best of your game.

The technical striker has to be decisive in every attacking shots. To do so, precision is mandatory. Thanks to its holes pattern adapted to its diamond shape, this racquet will make your shots as decisive as a surgical strike.

The comfort of play is a key feature at the time of choosing a racquet. To make sure you can enjoy playing as often as you want, Babolat developed this racquet with both softer materials and a lighter weight to decrease your arm fatigue and provide more endurance and comfort.

Characteristics:

- Player typology: technical striker
- Head shape: diamond
- Composition: frame - carbon, surface - fiberglass, core - black EVA
- Weight: 355 g +/- 10 g
- Thickness: 38 mm
- Balance type: head heavy
- Recommended Grip: Syntec Pro

BABOLAT Racquet Pure Strike Junior 26

Inspired by Dominic Thiem's racquet, Babolat designed the Strike Junior for your future champion looking for more control as they learn the game. The Strike Junior 26 is recommended for juniors whose height is between 135-145 cm.

You fancy playing early, you like taking some risk, either attacking the net whenever you can or just keeping the baseline hitting winners. Babolat made the Pure Strike 3d generation to suit exactly your game. With the extra responsiveness the frame now provides, you will be able to take control.

CALLAWAY Driver Big Bertha B21

The Big Bertha B-21 is everything that you would expect from a Big Bertha with advanced technologies that make this driver really long, forgiving, and easy to hit. What makes it truly extraordinary is that it's Callaway's first driver that delivers the unique combination of high launch, low spin and significant draw bias in a forgiving head shape. It's a new formula for distance, built to take the big miss out of your game and to invite you back to the fairway.

And it's a total ball speed package, with callaway A.I. Designed Flash Face SS21, TA-15 Super Strength Materials, and the innovative Jailbreak Technology that can help you hit it a long way even if you miss the sweet spot.

Characteristics:

- Golf: club flex regular
- Hand orientation: right
- Golf club loft: 15°
- Material: graphite
- Dimensions (cm): 121.9 x 15.2 x 15.2
- Colour: silver

 **2,365,000 points**

Gift code: EMC13

CALLAWAY GBB Epic Driver RH 13.5HT

The GBB Epic Driver represents an epic shift in how the head and face behave to enhance power, spearheaded by Callaway's innovative Jailbreak Technology and Exo-Cage/triaxial carbon construction. Innovative new technology changes how the head and face behave at impact to promote more speed across a larger area of the face for increased average distance whilst the innovative combination of titanium Exo-Cage and triaxial carbon crown (lightest ever in a Callaway driver) and sole create unprecedented forgiveness in a high-launch, low-spin design.

Any golfer, from scratch players to high handicappers, should find more speed, distance and control with the GBB Epic.

Characteristics:

- Head: Jailbreak Technology
- Loft: 13.5°
- Hand: right
- Shaft: Aldila Synergy 50
- Shaft flex: regular
- Year: 2017

 **1,985,000 points**

Gift code: EMC14

CALLAWAY Mavrik Max Hybrid 3H

MAVRIK MAX delivers speed-enhancing technologies including A.I. for an optimised hybrid face, and a larger body and deeper CG for higher MOI that makes MAVRIK MAX hybrids noticeably easy to launch.

For The Mavrik max hybrids, Callaway used A.I. to design a specialised face for each loft of every model to optimise ball speed performance, and a high MOI for enhanced launch.

The flash face SS20 constructed from a high-strength steel face works with proven Jailbreak Technology and the renowned face cup technology to promote exceptionally high ball speed.

From a square-toed shape to a cambered fairway-wood shape, this complete hybrid lineup gives ideal combination of speed, stability and cg placement to promote easy launch, long carry and soft landings – exactly how a hybrid is expected to perform

Characteristics:

- Head: Jailbreak Technology
- Loft: 19°
- Hand: right
- Shaft: Project X Catalyst 65
- Shaft Flex: regular
- Year: 2020

 **2,920,000 points**

CALLAWAY Rogue St Max 3FW

Callaway's industry-leading innovations, including the all-new Tungsten Speed Cartridge and new Batwing technology. The new Rogue ST fairway woods represent a breakthrough in fairway performance. In fact, they're up to 10 yards longer.

The A.I. designed flash face is engineered for maximum speed with exceptional levels of forgiveness.

The Rogue ST MAX model features a new progressive shape to appeal to a wide range of players who want speed, forgiveness, and all-around performance.

Characteristics:

- Club: fairway wood
- Model: 3W
- Shaft: MITSUBISHI CHEMICAL TENSEI AV-XLINK BLUE 70g (stiff)
- Loft: 15°
- Lie angle: 56°
- Length: 43.25"
- Hand: right

 **4,570,000 points**

Gift code: EMC16

CALLAWAY Rogue St Max Driver

The new Rogue ST MAX Driver is Callaway's fastest, most stable driver ever. The groundbreaking new Tungsten Speed Cartridge structure places up to 26 g low and deep in the driver head. This increases speed on off-center hits and provides more forgiveness through high MOI. Their patented A.I. designed Jailbreak Speed Frame provides stability in the horizontal and torsional direction. Callaway has speed tuned the construction, shaping, and positioning to deliver even more speed across the face.

As the industry leader in Artificial Intelligence, Callaway added launch and spin to ball speed in their optimisation formula, which lowers spin on the face, allowing more forgiveness to the driver. The titanium unibody construction provides stability and lowers the center of gravity, while the proprietary Triaxial Carbon crown and sole allow weight saving. This weight is redistributed to increase forgiveness with high launch and a slight draw bias.

Characteristics:

- Head: Jailbreak AI Speed Frame
- Loft: 10.5°
- Hand: right
- Shaft: Mitsubishi Tensei AV Blue 55 Graphite
- Shaft Flex: regular
- Year: 2022

 **4,570,000 points**

Gift code: EMC17

CALLAWAY Rogue St Max Driver Women

Rogue ST Max D is built for golfers who want maximum levels of forgiveness from their driver. It's built for very high MOI, with a reduced face progression, and a more upright lie. Internal and external draw weighting have also been added, along with a generously stretched profile at address for maximum shot shape correction.

The groundbreaking new Tungsten Speed Cartridge structure places up to 20 g low and deep in the driver head. This increases speed on off-center hits and provides more forgiveness through high MOI.

As the industry leader in Artificial Intelligence, Callaway have added launch and spin to ball speed in their optimisation formula, which lowers spin on the face, allowing more forgiveness to the driver. Callaway's patented A.I. designed Jailbreak Speed Frame provides stability in the horizontal and torsional directions. They've speed tuned the construction, shaping, and positioning to deliver even more speed across the face.

The titanium unibody construction provides stability and lowers the center of gravity, while their proprietary Triaxial Carbon crown and sole allow weight saving. This weight is precisely redistributed to increase forgiveness with added draw bias.

Characteristics:

- Head: Jailbreak AI Speed Frame
- Loft: 12°
- Hand: right
- Shaft: Project X cypher black 40 graphite
- Shaft Flex: women's flex
- Year: 2022
